

# Sloan, Someone That I Can Be True With

Oh where should I start?  
She's sensitive and smart  
That's not my favourite part and

Oh you won't forget  
The beautiful brunette  
With eyes of chocolate

And I don't know what you're used to  
But I can't go back I refuse to

Oh and she loves me now  
She's trying to show me how  
But my mind is never open

I hope it works out well  
Some days it can be hell  
But it's a hell I have a hope in

And I don't know what that has to do with  
She's someone to hear Husker Du with  
And someone to wait in the queues with  
And someone to hate all things new with  
She's someone to watch Gremlins 2 with  
And someone to not watch The View with  
And someone to laugh in the pew with  
And someone I can be true with
