

slowthai, A\$AP Rocky, MAZZA

Yeah, yeah
Jesus Christ
Yeah, yeah
Yeah, yeah

Mazzalean, mazzalean
When i am pulling up
Muddy dungarees
Make the place look like a murder scene
When i make moves
I am a money fiend

Suicidal tendencies
What's up, man?
Bang, bang
Feel like i am down
I say: what's up?
Way too /3x
Gully
Give me money
Give me it all
Cannot trust me
No one ever fucking buss me change
Buss me /5x
Look how shit change
Feelink like these drugs made me better than i was
But i never felt love before the drugs
So now i say:
what's up? /3x
say: what's up?
