

# Smile Dk, Boys

Boys Boys be my boy (I wanna feel your body)  
Boys Boys be my boy (Tonight I'm ready honey)  
Boys Boys be my boy (I wanna be your lover girl)  
Be my lover boy

Boys Boys be my boy (I wanna feel your body)  
Boys Boys be my boy (Tonight I'm ready honey)  
Boys Boys be my boy (I wanna be your lover girl)  
Be my lover boy

Hot summer time  
Always something on my mind  
A kind of magic in the air  
I'm on the run  
To a sunny paradise  
With crowded beaches everywhere

I'm just a girl who's looking for some fun  
It's time to get things started  
So common everybody

Boys Boys be my boy (I wanna feel your body)  
Boys Boys be my boy (Tonight I'm ready honey)  
Boys Boys be my boy (I wanna be your lover girl)  
Be my lover boy

Hot summer night  
Always makes me loose control  
It feels like heaven now I'm free

And all the boys  
If you want to feel the heat  
Just come along and play with me

I'm just a girl who's looking for some fun  
It's time to get things started  
So common everybody

Boys Boys be my boy (I wanna feel your body)  
Boys Boys be my boy (Tonight I'm ready honey)  
Boys Boys be my boy (I wanna be your lover girl)  
Be my lover boy
