Sofia Carson, It's Only Love, Nobody Dies

My mind is an island out of sea
I just wanna meet but you're going the wrong way
Midnight and the moon is testing me
So if you take me home, I hope you take the long way

'Cause I just wanna drive with you
With, drive with you
I wanna kill the lonely
Wanna be falling asleep on the passenger's seat of your car
And if you give it a night
No matter where we are and where we're not

So give me your kiss, now
Don't wanna think going alone without
It's only love, nobody dies
Should we share a kiss, now
Don't wanna talk about going alone without
It's only love, nobody dies

I know there's a part of you, you hide
And you convinced yourself that I will hold it against you
There's other ways that you move to shield your plan
And in other things, I only pretend to

I just wanna drive real fast
Real fast with you
Until we kill the lonely
Wanna be falling asleep on the passenger's side of your car
And if you give it a night
No matter who we are and who we're not

So give me your kiss, now
Don't wanna think going alone without
It's only love, nobody dies
Should we share a kiss, now
Don't wanna talk about going alone without
It's only love, nobody dies

If you're gonna walk me, it won't be tonight
If you're gonna watch, no, it won't be tonight
Better if it hurts, at least you'll know what it's like
It's only love, nobody dies

Wanna be falling asleep on the passenger's side of your car
And if you give it a night
No matter where we are and where we're not

So give me your kiss, now
Don't wanna think going alone without
It's only love, nobody dies
Should we share a kiss, now
Don't wanna talk about going alone without
It's only love, nobody dies

If you're gonna walk me, it won't be tonight
If you're gonna watch, no, it won't be tonight
Better if it hurts, at least you'll know what it's like
It's only love, nobody dies
If you're gonna walk me, it won't be tonight
If you're gonna watch, no, it won't be tonight
Better if it hurts, at least you'll know what it's like
It's only love, nobody dies
