

Soiree, Out of my mind

I just wanted to love you
You just wanted to try
Dreams could never come true 'cause
Love was nothing, just nothing but fun
You'll never fool me, now I'm ready for live
You'll never fool me 'cause a don't need you tonight
You'll never fool me, now I know how to fly
Now I get you, just out of my mind
Just out of my mind
Get out of my life, love
Just out of my mind
Now I get you, just out of my mind
I just want you to go now
You still want me to stay
We just know it's too late 'cause
Love is nothing just nothing but pain
You'll never fool me, now I'm ready for live
You'll never fool me 'cause a don't need you tonight
You'll never fool me, now I know how to fly
Now I get you, just out of my mind
Just out of my mind
Get out of my life, love
Just out of my mind
Now I get you, just out of my mind
Just out of my mind
Just out of my mind
Just out of my mind x5
You'll never fool me, now I'm ready for live
You'll never fool me 'cause a don't need you tonight
You'll never fool me, now I know how to fly
Now I get you, just out of my mind
Just out of my mind
Get out of my life, love
Just out of my mind
Now I get you, just out of my mind
Just out of my mind
Just out of my mind
