

# Solomon Burke, Everybody Needs Somebody To

I'm so happy to be here tonight  
so glad to be here in your wonderful city  
I have a little message for you  
and I want to tell every woman and every man tonight  
that's ever needed someone to love  
that's ever had somebody to love them  
that ever had somebody's understanding  
that's ever had someone to need your love all the time  
someone that's with them when they're up  
somebody that's with them when they're down  
if you had yourself somebody like this you better hold onto them  
let me tell you something  
sometimes you get what you want  
and you lose what you have  
there's a song I sing  
and I believe that everybody should sing this song you can save the whole world  
listen to me

Everybody needs somebody  
Everybody needs somebody  
Everybody wants somebody to love  
Honey to hug  
Sugar to kiss  
Baby to miss now  
Baby to tease  
sometimes to please yeah  
and I need you you you  
and I need you you you  
in the morning baby you you you  
when the sun goes down you you you  
ain't no nobody around you you you

Whoa Sometimes I feel like  
I feel a little sad inside  
When my baby mistreats me  
And I can't get a little little mad  
but I need you you you  
Just to see me through  
somebody to hold my hand  
when I feel a little lonely  
oh baby say yeah

I say yeah yeah  
yeah  
somebody  
I just want my woman to stand up and say I love you  
I want someone to be a witness  
I just want to say I love you  
I just want somebody to say yeah

The lyrics below are from the Blues Brother's version of Solomon Burke's song:

We're so glad to see so many of you lovely people here tonight, and we would especially like to welcome you to the palace hotel ballroom at this time. we do sincerely hope you'll all enjoy the show, and please remember still some things that make us all the same. you, me them, everybody, everybody.

Everybody needs somebody  
Everybody needs somebody to love (someone to love)  
Sweetheart to miss (sweetheart to miss)  
Sugar to kiss (sugar to kiss)  
I need you you you  
I need you you you

I need you you you in the morning  
I need you you you when my soul's on fire

Sometimes I feel  
I feel a little sad inside  
When my baby mistreats me  
I never never never have a place to hide  
I need you

Sometimes I feel  
I feel a little sad inside  
When my baby mistreats me  
I never never never have a place to hide  
I need you you you  
I need you you you  
I need you you you

I need you you you  
I need you

You know people when you do find that somebody  
Hold that woman, hold that man  
Love him, hold him, squeeze her, please her, hold her  
Squeeze and please that person, give 'em all your love  
Signify your feelings with every gentle caress  
Because it's so important to have that special somebody  
To hold, kiss, miss, squeeze and please

Everybody needs somebody  
Everybody needs somebody to love  
Someone to love  
Sweetheart to miss  
Sugar to kiss  
I need you you you  
I need you you you  
I need you you you...

On the version that appeared on the 'best of the blues brothers' album, elwood starts with another i
