Somersault, Wise Up

It's not
What you thought
When you first began it
You got
What you want
You can hardly stand it though,
But now you know
It's not going to stop
It's not going to stop
It's not going to stop
'Til you wise up

You're sure
There's a cure
And you have finally found it
You think
One drink
Will shrink you 'til you're underground
And living down
No, it's not going to stop
It's not going to stop
It's not going to stop
'Til you wise up

Prepare a list of what you need Before you sign away the deed No, it's not going to stop It's not going to stop It's not going to stop 'Til you wise up

No, it's not going to stop 'Til you wise up No, it's not going to stop So just give up
