

Sons Of Ishmael, Sex Class Riles Mom

A concerned Scarborough mother dragged her son from a school that didn't leave sex where it belongs: in the bedroom.

"If he didn't have to hear about it he wouldn't think about it. Parents should teach sex education, not the school.

All Steven wants to think about are skateboards and Sesame Street, not penises and vaginas. How long will it be before our children have to watch sex acts on film and we'll have to talk about it in the home?"
