## Sparklehorse, Hey, Joe

hey Joe c'mon Joe don't make that sad song any sadder than it already is hey Jack get back get yourself together c'mon c'mon I know you're thinking about your nervous laugh I know exactly what you're thinking of hey Sid no matter what you did it can work out work out no matter how you feel right now hey George do your chores don't feel sore I know it's a lot more than just being poor there's a heaven and there's a star for you there's a heaven and there's a star for you there's a heaven and there's a star for you there's a star for you there's a star for you there's a star for you
