

# Spice, Spice Marley

Our Father who art in Heaven  
Thank you for everything I was given  
Pray that my sins will be forgiven  
Multiple my blessings ten times eleven  
Bine up every tongue that speak against me  
I beg you wash mi from my head to feet yuh cleanse mi  
Every day I tell dem dat the Lord defense me  
Fight against all those who fight against mi

Because

Here I am the one that overcame  
Everything that was meant to put me down to shame  
All of my enemies fighting in vain  
Cause I walk with the spirit of God that proclaim  
I beg you Lord don't leave my side  
Journey with me on this Earthly ride  
You heal my pain every night that I cried  
Unda the shadow of the Almighty God I am I

Right now a God a lead mi a keep mi  
My God a lead mi a keep mi  
Fada God a lead mi a keep mi  
My God a lead mi a keep mi  
Hmm God a cover me like everytime  
Who nuh like mi guh join di back a di line  
Cause Fada God a lead mi a keep mi
