

# Squeeze, Goodbye Girl

I met her in a pool room  
Her name I didn't catch  
She looked like something special  
The kind who'd understand  
The room was almost spinning  
She pulled another smile  
She had the grace like pleasure  
She had a certain style

Sunlight on the lino  
Woke me with a shake  
I looked around to find her  
But she'd gone  
Goodbye girl  
Goodbye girl  
Goodbye girl

She took me to her HOTEL  
A room on the second floor  
A kettle and two coffees  
A number on the door  
She said I hardly know you  
Agreed we kissed goodnight  
I knew that in the morning  
Somehow I'd wake to find

Sunlight on the lino  
Waking me with a shake  
I looked around to find her  
But she'd gone  
Goodbye girl  
Goodbye girl  
Goodbye girl

I've lost my silver RAZOR  
My club room locker keys  
The money in the WAIST COAT  
It doesn't bother me  
My wife has moved to JERSEY  
Some Mug is not the word  
If you ever see her  
Say hello goodbye girl

Sunlight on the lino  
Woke me with a shake  
I looked around to find her  
But she'd gone  
Goodbye girl  
Goodbye girl  
Goodbye girl

(Repeat twice to fade)
