## Squeeze, Hourglass

I feel like I'm pounding on a big door No one can hear me knocking I feel like I'm falling flat to the floor No one can catch me from falling

The hourglass has no more grains of sand My watch has stopped, no more turning hands The crew have abandoned ship The lights are on but no one is in

Take it to the bridge, throw it overboard See if it can swim, back up to the shore No one's in the house, everyone is out All the lights are on and the blinds are down

Take it to the bridge, throw it overboard See if it can swim, back up to the shore No one's in the house, everyone is out All the lights are on and the blinds are down

I feel like I'm calling on a telephone No one can hear the ringing I feel like I'm running up a steep hill No one can stop me from running

The hourglass has no more grains of sand My watch has stopped, no more turning hands The little hand shakes its fist The face is hanging out on a spring

Take it to the bridge, throw it overboard See if it can swim, back up to the shore No one's in the house, everyone is out All the lights are on and the blinds are down

Take it to the bridge, throw it overboard See if it can swim, back up to the shore No one's in the house, everyone is out All the lights are on and the blinds are down

Take it to the bridge, throw it overboard See if it can swim, back up to the shore No one's in the house, everyone is out All the lights are on and the blinds are down

The hourglass has no more grains of sand Little red grains of sand My watch has stopped, no more turning hands Little green neon hands

Take it to the bridge, throw it overboard See if it can swim, back up to the shore No one's in the house, everyone is out All the lights are on and the blinds are down

Take it to the bridge, throw it overboard See if it can swim, back up to the shore No one's in the house, everyone is out All the lights are on and the blinds are down

Feel like I'm calling back to the shore No one can hear me calling Feel like I'm crawling back to the door No one can catch me from falling
