

# StadiumX & Tom Swoon, Ghost (ft. Rico & Miella)

Ghost, If you hear me, leave me alone.  
I can't take another night of your haunting, please go.  
Love, If you hear me, leave me alone.  
Find some other place to rest your soul

I'm not going anywhere  
I think I'll just stay right here  
I'm not going anywhere  
Until you learn to feel.  
To feel /20x

Would you like to feel?

Would you like to feel?

Ghost, If you hear me leave me alone,  
We can't live another life if you just can't let go  
Love, If you hear me leave me alone  
My heart is the worst place to rest your soul.

I'm not going anywhere  
I think I'll just stay right here  
I'm not going anywhere  
Until you learn to feel.  
To feel /20x
