

# Staind, Nothing Else Matters

So close no matter how far  
It couldn't be much more from the heart  
Forever trust in who we are  
And nothing else matters

I never opened myself this way  
Life is ours, we live it our way  
All these words I don't just say  
And nothing else matters

Trust I seek and I find in you  
Everyday for us something new  
Open mind for a different view  
And nothing else matters

I Never cared for what they say  
Never cared the games they play  
Never care for what they know  
And I know

So close no matter how far  
Couldn't be much more from the heart  
Forever trust in who we are  
And nothing else matters
