

Stanisław Soyka, Pay Attention

Pay attention
To Your mind's condition
Hear the sound
Of Your heart's disposition
Try Your best in everything that You do

Pay attention
Somewhere Your brother is dying
Hear the voice
Somewhere Your sister is crying
Let Your eyes be open to what's going on
Around You

I see a distant light
And I hope It's the light of Mercy
To get there I just need to
Pay Attention
