

Stellar*, Sorry

didn't say I was sorry
didn't know you were right
I didn't think you were special
I didn't think you meant that much

didn't say I'm sorry
didn't know
you were right
didn't say I'm sorry I'm sorry

didn't mean to be ungrateful
I didn't mean to mess you up
I didn't think that you were special
I didn't think you meant that much

didn't say I'm sorry
didn't know
you were right
didn't say I'm sorry
I'm sorry
I'm sorry
