

# Steppenwolf, Move Over

Things look bad from over here  
Too much confusion and no solution  
Everyone here knows your fear  
You're out of touch and you try too much

Yesterday's glory won't help us today  
You wanna retire?  
Get out of the way

The country needs a father  
Not an uncle or big brother  
Someone to keep the peace at home  
If we can't get together  
Look out for stormy weather  
Don't make me pay for your mistakes  
I have to pay my own

Yesterday's glory won't help us today  
You wanna retire?  
Get out of the way

I ain't got much time  
The young ones close behind  
I can't wait in line

If we can not wake you  
Then we'll have to shake you  
Though some say you'll only understand a gun  
Got to prove them wrong  
Or you will lose the battle  
Don't you know we'll start a war  
Which will be won by none

Yesterday's glory won't help us today  
You wanna retire?  
Get out of the way

I ain't got much time  
The young ones close behind  
I can't wait in line

Move over  
Come on, Move Over

Repeat Chorus
