

Steve Aoki, Darker Than Blood (feat. Linkin Park)

Don't you hold your breath
Cause I'm not coming down
The battlefields have left me only scars
And floating in the dark
I'm swimming in the sound
Of voices that should never been apart

Darker than the blood
Higher than the sun
This is not the end
You are not the only one

With venom on their tongues
They paint it on the walls
Where justice doesn't have the strength to hold
The higher that they climb
The harder they will fall
And we will break their bones until they fall

Darker than the blood
Higher than the sun
This is not the end
You are not the only one

Darker than the blood (Darker than the blood)
Higher than the sun (Higher than the sun)
This is not the end (This is not the end)
You are not the only one (You are not the only one)

This is not the end
(You are not the only one)
You are not the only one
(Higher than the sun)
(This is not the end)
This is not the end
(You are not the only one)
You are not the only one
