

# Steve Perry, Tuesday Heartache

(Perry, Taylor, Brewster, Lucas)

After the lovin', after the evening  
Darlin' you're so deceiving, I know  
I don't believe it you've got the answer  
Darlin' it's soul disaster, I know

Tuesday heartache  
Love comes, love goes  
One day hard times  
Too long ago

I don't believe you, when you say darlin'  
It's somethin' so alarmin', oh I know  
I wanna love ya  
You want disaster, darling it's all  
All the last time

Tuesday, heartache  
Love comes, love goes  
I don't show it, but someone's been told  
Maybe, we're there, no don't you go  
Tuesday heartache,  
Love sounds unfold  
Ooh, take your time baby

Tuesday heartache  
Love comes, love goes  
Tuesday, heartache, don't go away  
(Tuesday heartache) no don't you go away  
(Tuesday heartache) don't go away  
When someone's deceiving they fall  
Oh yeah  
It's all right, all right  
Fall, yes

After the lovin', after the evening  
Ooh, when someone's deceiving, they fall  
When someone's deceiving, they fall  
Oh, no, no, no  
So deceiving  
With someone, someone, someone  
They fall
