

# Stonebridge, Close to heaven

You can push and youre never gonna fall  
You can take what ever have it all  
You can be anything you want to be with some one like me  
(Some one like me, Like me)  
Show time aint gonna be alone  
Dont keep me hanging on the phone  
We can do anything we wanna to do with some one like you.  
(Someone like you , like you)  
Much too close to heaven  
A tough too close to leave  
Something inside, feels alive  
Much too close to heaven  
But its close enough for me  
Something inside, feels alive  
Dont stop feelin it  
Wont stop needin it  
Cant stop, you know Im on the line
