

# Strange Celebrity, Back To Life

Throwing it all away  
Sometimes I feel like that is all  
There ain't a single day  
I don't want you  
I don't need you  
There ain't a single day  
I wouldn't do for you  
I can't understand the way you feel  
But I'm gonna keep on tryin' and tryin'  
Until I get it right  
A part of you inside of me is dying  
So tell me what you're gonna do  
To bring me back to life  
You've given me everything  
How could you take it all away  
The place that you left me in  
It's so empty  
I still want you  
Here with me  
Bring me back to life  
cause I'm not breathing  
I'm not living without you  
This helplessness  
It won't go away  
There ain't a single thing I wouldn't do for you
