

Suburban Legends, Autumn In The Park

Ladies and Gentleman, Suburban Legends!

The things I'm missin'
Your huggin' and your kissin'
Now that you're gone
It's your love I'll be missin'
You and me, and happiness could be

Could this be the beginning of the ending?
Our time is short, soon it will be ending
The way you make me feel is so unreal
You and me together, but nothing lasts forever

Come dance with me, all you little boys
Don't be afraid, we can dance, dance the night away
Come dance with me, that's what I heard her say
Don't be afraid, we can dance, dance the night away

Could this be the beginning of the ending?
Our time is short, soon it will be ending
The way you make me feel is so unreal
You and me together, but nothing lasts forever

Come dance with me, all you little boys
don't be afraid, we can dance, dance the night away
Come dance with me, that's what I heard her say
Don't be afraid, we can dance, dance the night away

Can't you hear me?
Can't you feel me?
Can't you see we could never be the same?

Can't you hear me?
Can't you feel me?
Can't you see we could never be the same?

Come dance with me, I'm a little boy
Don't be afraid, we can dance, dance dance dance the night away
Come dance with me, I'm a little boy
Don't be afraid, we can dance, dance the night away

Can't you hear me?
Can't you feel me?
Can't you see we could dance, dance oooooooo?
