

Suede, No Tomorrow

How long will it take to mends?
How long will it take?
It depends
How long will I blow my money on?
Parade and paperbacks

Another moment to make me wonder,
Another sentence to help me throw.

Fight the sorrow /3x
Like there's no tomorrow.
Fight the sorrow /3x
Come there's no tomorrow.

How long will I shun the race
And sit around in my denim shirts?
A cadaver in tracksuit trousers
Connect me to missing persons.

How long will it take to break
The plans that I never make.
Too long have I sat outside and smoked.
I know all the neighbours cars.

Another moment to make me wonder,
Another sentence to help me throw.

Fight the sorrow /3x
Like there's no tomorrow.
Fight the sorrow /3x
Come there's no tomorrow.
