

Sufjan Stevens, Video Game [feat. Jalaiah]

I don't wanna be your personal Jesus
I don't wanna live inside of that flame in a way
I wanna be my own believer
I don't wanna play your video game

I don't wanna be the center of the universe
I don't wanna be a part of that shame in a way
I wanna be my own redeemer
I don't wanna be your video game

I don't care if anybody else is into it
I don't care if it's popular refrain
I don't wanna be puppet in a theater
I don't wanna play your video game

You don't wanna be the one who has to pay for it
You don't wanna be the one who has to change
All you want is what the resume tells you
I don't wanna play your video game

I don't wanna be your Julius Caesar
I don't want it to go down the way
But in a way you gotta follow the procedure
So go ahead and play your video game
