

# Sugarland, Want To

I've packed a cooler and a change of clothes  
Let's jump and see how far it goes  
You got my heart and your daddy's boat  
We got all night to make it float  
We could sit on the shore, we could just be friends  
Or we could jump in

(Chorus)

Whole world could change in a minute  
Just one kiss could stop this spinning  
We could think it through  
But I don't want to, if you don't want to  
We could keep things just the same  
Leave here the way we came, with nothing to lose  
But I don't want to, if you don't want to

I got your ring around my neck  
And a couple of nights I don't regret  
You got a dream of a degree  
And a shirt that smells like me  
Yeah we both got dreams, we could chase alone  
Or we could make our own

(Chorus)

Whole world could change in a minute  
Just one kiss could stop this spinning  
We could think it through  
But I don't want to, if you don't want to  
We could keep things just the same  
Leave here the way we came, with nothing to lose  
But I don't want to, if you don't want to

(Bridge)

Never waste another day  
Wonderin' what you threw away  
Holdin me, holdin you  
I don't want to, if you don't want to

(Refrain)

We could keep things just the same  
Leave here the way we came, with nothing to lose  
But I don't want to, but you don't want to

But I want you
