## Sum 41, The Bitter End

There's no doubt in my mind when it's over what is done will be you will find when life gets colder there's no sympathy there's no point trying you can't escape the bitter end well who will greet you when you're at the bitter end

all your choices chosen you've got no say your decisions made face your consequences as your life begins to fade as time keeps spinning closer to the bitter end well who will greet you when you're at the bitter end

take a look at yourself as time keeps racing is all you've come to be what you expected or are you still chasing possibilities cause all your prayers won't save you from the bitter end well who will greet you when you're at the bitter end the bitter end the bitter end
