

Sunidhi Chauhan, Hadh Ko Adab Ko Todd Ke

hello ... everybody
i have been ?? to shake this joint
so why dont you guys give me a little ear
as i rock the night
you should be rocking
rocking rocking moving
moving moving grooving
grooving you should be rocking
hadh ko adab ko todd ke
let me see your hands go up in the air
hadh ko adab ko todd ke
let me see your hands go up in the air
apani raaton mein kal ka nasha ho
bas ham hi samjhe aaisi zubaan ho
kyonki yaar
jee lete hai sabhi duniya bhulakar ke
ham jeete hai khushiyon mein gam milakar ke
do you wanna hear that again
hosh zara sa kuchh kuchh nasha ho
aawargi ho aur kuchh haya ho
kuchh bewafai thodi vafaa ho
ho jaaye yun toh phir bolo kya ho
just when you thought god gave us nothing you got
life gives you a lot aur mazaa aa jaaye
ek ajanabi ho jo dil ka haseen ho
jo shayad yahi ho hamein mil jaaye
aur bhul ke gam jo yun has pade ham
ke aankhen ho khud nam aur hum kho jaaye
kyonki yaar
jee lete hai sabhi duniya bhulakar ke
ham jeete hai khushiyon mein gam milakar ke
do you wanna hear that again
hadh ko adab ko todd ke
let me see your hands go up in the air
gam ko khushi ki thodi hawa de
toote dilon ko dil ki dawa de
iss aag mein kuchh aatish mila de
tumko zarasa paagal bana de
get with the groove its the bad time you move
when we bring down the roof ab gaaon sab milke
gunje tarane iss life ke fasane aur issi bahane
tum ho jaaon dil ke
chhodo ji jagna aur aaise hi thakna
dil ko hai dhadakna aaon ham milke gaaye
yaar
jee lete hai sabhi duniya bhulakar ke
ham jeete hai khushiyon mein gam milakar ke
do you wanna hear that again
hadh ko adab ko todd do todd do
baaki sab hampe chhod do
baaki ...
hadh ko adab ko todd do todd do
baaki sab hampe chhod do
baaki hampe chhod do
hadh ko adab ko todd do todd do
baaki sab hampe chhod do
