Super Furry Animals, Atomik Lust

If your moon should eclipse me And block out my sun Ride on typhoons and hurricanes Watch skymap on re-run

Fine times to walk on wine Heads down no stress Find some atomik lust Whenever, more or less

So long, the thrills long gone No more duress No more atomik lust Whenever, more or less

Let's get our shit together Insane with crackbrainz I'd love to see the ending someday Of Citizen Kane

Fine times to walk on wine Heads down no stress Find some atomik lust Whenever, more or less
