## Super Furry Animals, Chewing Chewing Gum

[Gruff:] Blowing bubbles I've got stuff on my mind A thought left behind, so:

[Cian:]
Don't go chewing in bed
You might wake up with it stuck in your hair
[Repeat to end]

[Gruff:]
That's right, don't go chewing now
You might get it right stuck in your hair
[Repeat to end]

[Bunf:] Chew, chew, chewing gum [Repeat to end]

[Dafydd:] That's right, don't go chewing now Aah-aah! [Repeat to end]
