

# Super Furry Animals, Do Or Die

I got you  
You got me  
We got plenty to see  
Let's sail the ocean, fancy-free  
We could ride the camel  
One hump or two?

If we do or die  
We should try  
If we don't try  
I say bye-bye  
And if I say bye-bye  
I'll wonder why  
We didn't try  
To do or die  
Yeah yeah yeah

I am free  
You are four  
Let's take a five  
We could climb a mountain and landslide  
We ride tornadoes  
We eat tomatoes

If we do or die  
We should try  
If we don't try  
I say bye-bye  
And if I say bye-bye  
I'll wonder why  
We didn't try  
To do or die  
Yeah yeah yeah

If we do or die  
We should try  
If we don't try  
I say bye-bye  
And if I say bye-bye  
I'll wonder why  
We didn't try  
To do or die

And if we do or die  
We should try  
If we don't try  
I say bye-bye  
And if I say bye-bye  
I'll wonder why  
We didn't try  
To do or die  
Yeah yeah yeah!
