

# Super Furry Animals, God! Show Me Magic

I had a soul transplant operation  
Coz my bypass didn't function  
So now I'm keeping on my toes  
'Til I see your one man show

Show me magic  
Show me magic  
Show me magic  
Show me mad

Wouldn't it be nice to know  
What the paper doesn't show  
What the TV doesn't say  
And what my hamster's ate today?

Show me magic  
Show me magic  
Show me magic  
Show me mad

God! Show me magic  
God! Show me magic  
God! Show me magic  
God! Show me mad

Show me magic  
Show me magic  
Show me magic  
Show me magic
