Super Furry Animals, Ice Hockey Hair

She's got ice hockey hair It's instamatic and it has such flair And when the puck hits the back of the cage She feels the tingle of a quiet rage

She thinks it's tasty Me thinks it's hasty Take me to a chorus now

Tell me what to do if it all falls through
Can you point me a direction I can take my shoes?
What did I do to you to make you feel so blue?
I get the impression that we're overdue
I got the lunar madness
And it's coming straight to you

Table tennis rules
They're so confusing it's not played by fools
And with my tank filled to the brim
You may suggest to me anything

Phone me, page me Fax me 'til I'm silly Answer me today

Tell me what to do if it all falls through Can you point me a direction I can take my shoes? What did I do to you to make you feel so blue? I get the impression that we're overdue You're my little terror Oh won't you tell me something new?

Maybe you think I'm shady But I sing your language baby (Ba ba ba ba ba ba Oooooh)

What did I do to you to make you feel so blue? I get the impression that we're overdue (X2) What did I do to you?

Now that you're here tell me you're a non-believer Oh! Oh! Oh! (X9)
