

# Super Furry Animals, It's Not The End Of The Wo

Why?

When you fall asleep  
Before the end of the day  
You start to worry

Like when the taxi comes  
To take you away  
When you're in no hurry

Yet as our hair turns white  
All the stars still shine so bright, above  
At least

It's not the end of the world

Why?

We could live it large  
Because we're only old once  
Let's make a difference

Turn all the hate in the world  
Into a mockingbird  
Make it fly away

Yet as our hair turns grey  
Everything is far from A-OK

At least it's not the end of the world  
No, at least it's not the end of the world

Why?
