

# Super Furry Animals, Juxtapozed With U

It's easy when you know how  
To get along without Biff! Bang! Pow!  
And if I see that you're fed up,  
I'll stop and give you a leg up.  
Over priced unreal estate,  
Surreal estate,  
The highest price they've hit to date,  
Creating new divides and tension.

You've got to tolerate,  
All those people that you hate,  
I'm not in love with you,  
But I wont hold that against you,  
You've got to tolerate,  
Some of those people that you hate,  
I'm not in love with you,  
But I wont hold that against you.

This is a tale of 2 city/situations,  
Mutual appreciation,  
Away from narrow pre-conception,  
Avoiding conflict hyper-tension,  
Non-phobic word aerobic.  
This was my domain,  
Till someone stole my name.

You've got to tolerate ...etc.

Let's get juxtaposed, juxtaposed,  
Just suppose I juxtapose with you...
