

Super Furry Animals, Torri Fy Ngwallt Yn Hir

Will you cut my hair long?

Right down to my bottom, nobody will sit next to me when

i'm on the bus,

will you cut my hair long?

Don't make any fuss

Will you cut my hair long?

Over my shoulders, will you cut over my eyebrows and over my ears? If

the future is in the past, I won't hear anything Will you cut my hair

long? Why less? Why not? Scissors! Will you grow my hair when I grow

up, grow up? Will you cut my hair long? Right down to my bottom.
