Suzanne Vega, Frank & Ava

On the way to the bidet Is when the trouble used to start It didn't mean she wasn't queen Of the tinderbox that was his heart

Her fire his desire meant that Everything must come undone And so now we know it's not enough to be in love

He's so true, she is too She says, "I love you Frank," and then they drank All night, what a fight He says it isn't me you're thinking of

She's cool, it makes him cruel And they needle till the jewels Go raining down upon the ground She says it's not enough to be in love

Not enough to be in love Not enough to be in love

They woke up, and they broke up They were so volatile, and all the while Life passed, and it went fast And yet they never could forget

Their chemistry, like you and me It proved to keep them both apart for life And so, now we know That it's not enough to be in love

Not enough to be in love To be in love To be in love To be in love
