

t.A.T.u., Lyubov' V Kazhdom Mgnovenii (Love In Every Moment)

Vso zachem-to zdes' i solntse, i luna i stol'ko nas
Riskuya kazhdyy den' zdes' na zemle poyavlyat'sya
Mir ustroyen tak, no v etom mire my napopolam
Nikto i ne vnushal samo soboy soyedinyat'sya

Lyudi ishchut drug druga
Raspakhnuty dveri v odinokiye serdtsa
Ishchut lyudi drug druga
Nakhodyat i veryat v lyubov' bez kontsa

Lyudi ishchut drug druga
V nadezhde na chudo i goryachiye serdtsa
I khotyat verit' lyudi chto budet to budet bez kontsa

Lyubov' v kazhdom mgnovenii - naslazhdeniye

I nikto lishat' ne mozhet [?], nam samim reshat'
Kogo lyubit' kogo nam vybirat', lyubov' - lecheniye
Pust' podryad ono iskat' stradat' ne obezboleynoy
Lyubov' dayot nam vsem yeyo uznat' bez isklyucheniya

[Ligalayz:]

Gde ty? Kasalos' by byla ryadom
Obraz rastayal, byl i ne stalo
Ya vybegayu sledom i ishchu vzglyadom
Znakomyy siluet v opustevshem zale
On ischezayet i odinok v zabege
Snova sobirayu mysli slovno lego
Odni dilemmy, mysli lezut
Opyat' somnen'ya, kak milliony lezviy
My b'yem trevogu v glaza drug drugu
A okazalos' - protyani lish' ruku
My v postoyannom poiske, ne ponimaya
Chto pered nami to, chego tak ne khvatayet
Ostanovis', prislushaysya, uslyshish'
Vsegda s toboy to, chto vse my ishchem
Lyuboye chudo ne proizoydet bez nas
Schast'ye ne kogda-nibud', schast'ye seychas!

Lyubov', lyubov', lyubov' v kazhdom mgnovenii
Lyubov', lyubov', lyubov' - naslazhdeniye

Ishchut lyudi drug druga
Otkryty ikh dveri i otkryty ikh serdtsa
Ishchut lyudi... i veryat bez kontsa

Lyudi ishchut drug druga
Raspakhnuty dveri v odinokiye serdtsa
Ishchut lyudi drug druga
Nakhodyat i veryat v lyubov' bez kontsa

Lyudi ishchut drug druga
V nadezhde na chudo i goryachiye serdtsa
I khotyat verit' lyudi chto budet to budet bez kontsa

Lyubov' v kazhdom mgnovenii
