Swananaanani (nanani, nanani, nanani)

[Chorus]

She moves her body like a cyclone
And she makes me wanna do it all night long
Going hard when they turn the spotlights on
Because she moves her body like a cyclone
Just like a cyclone

She moves her body like a cyclone
And she makes me wanna do it all night long
Going hard when they turn the spotlights on
Because she moves her body like a cyclone
A mighty cyclone

Now look at that peppa'
On the back of that bumpa'
She aint even playin
When she's shakin that ruppa'
And oh, you aint know?
She gets lower than a muffla'
Even with her girlfriends
Show stopping with a hustla'

The way she move her body
She might see the Maserati
She wanna put it on me
Tryna show me her tsunami
She make it hard to copy
Always tight, never sloppy
And got an entourage
And her own paparazzi

Now there she go again
Ridin through the stormy weatha'
You betta button up
If you wanna go get her
Cause it is what it is
Errybody wanna love her
But when she pop it boy
You better run for cover

[Chorus]

She moves her body like a cyclone
And she makes me wanna do it all night long
Going hard when they turn the spotlights on
Because she moves her body like a cyclone
Just like a cyclone

She moves her body like a cyclone
And she makes me wanna do it all night long
Going hard when they turn the spotlights on
Because she moves her body like a cyclone
A mighty cyclone
