T. Rex, Life's A Gas

I could have loved you girl Like a planet I could have chained your heart To a star But it really doesn't matter at all No it really doesn't matter at all Life's a gas, I hope it's gonna last

I could have built a house
On the ocean
I could have placed your love
In the sky
I could have turned you
Into a priestess
I could have burned
Your fate in the sand
