

# Talisman, Sorry

Girl I'm sorry 4 the sorrow  
I'm sorry 4 the pain  
Girl I'm sorry 4 the misery  
& I'm sorry 4 the rain

I'm so sorry 4 confusion  
So sorry 4 the questions why  
But most of all I have 2 state  
Girl I'm sorry 4 goodbye

(Chorus:)  
Cuz I really want u, I really need u  
& I really like the chance 2 say  
Don't tell me it's over, tell me u think it's not 2 late

Babe I'm sorry 4 the reasons  
So sorry 4 the times u cried  
& I'm sorry 4 the time we lost  
But sorry don't always make it right

(Chorus)

(Solo)

(Chorus)

I know it sounds absurd, lately the things I've heard  
There's no use 4 your denying  
The words I wanna hear, you're so not even near  
But I always give in 2 your cryin
