Talking Heads, (Nothing But) Flowers

Here we stand
Like an Adam and an Eve
Waterfalls
The Garden of Eden
Two fools in love
So beautiful and strong
The birds in the trees
Are smiling upon them
From the age of the dinosaurs
Cars have run on gasoline
Where, where have they gone?
Now, it's nothing but flowers

There was a factory Now there are mountains and rivers you got it, you got it

We caught a rattlesnake Now we got something for dinner we got it, we got it

There was a shopping mall Now it's all covered with flowers you've got it, you've got it

If this is paradise
I wish I had a lawnmower
you've got it, you've got it

Years ago I was an angry young man I'd pretend That I was a billboard Standing tall By the side of the road I fell in love With a beautiful highway This used to be real estate Now it's only fields and trees Where, where is the town Now, it's nothing but flowers The highways and cars Were sacrificed for agriculture I thought that we'd start over But I guess I was wrong

Once there were parking lots Now it's a peaceful oasis you got it, you got it

This was a Pizza Hut Now it's all covered with daisies you got it, you got it

I miss the honky tonks, Dairy Queens, and 7-Elevens you got it, you got it

And as things fell apart Nobody paid much attention you got it, you got it

I dream of cherry pies, Candy bars, and chocolate chip cookies you got it, you got it

We used to microwave Now we just eat nuts and berries you got it, you got it

This was a discount store, Now it's turned into a cornfield you got it, you got it

Don't leave me stranded here I can't get used to this lifestyle
