

Tamar Braxton, Blind

I'd rather go
blind /3x
than I to see you with her tonight
I'm done with your lies
but I can't say goodbye
so, I'd rather go

See I remember
I remember that night
till the morning I just cried and cried
in the bed, no pillow talk
the way you left was a cold and trough
it's ok. cause you'll be back and you'll be mine
but where you go /3x

I will never know
you just leave me here confused
down, depressed and feeling blue
I've convinced myself that you'll be back in due time

I'll be praying
wishing, hoping
that you notice me
but you surrounded by new company
I play it cool
but truth is that's a lie

I'd rather go
blind /3x
than I to see you with her tonight
I'm done with your lies
but I can't say goodbye
so, I'd rather go

cause you was all mine
all mine
and we had the time of our lives
then I losm my sight
when I saw you that night
so I'd I'd rather go blind
I'd rather go blind

save your talking I know all the facts
tell her it's over and Imma take you back
look me right here in my face
crush her heart and say you've changed
though we both know that's not what
you want right now

I will never know
you just leave me here confused
down, depressed and feeling blue
I've convinced myself that you'll be back in due time

I'll be praying
wishing, hoping
that you notice me
but you surrounded by new company
I play it cool
but truth is that's a lie

I'd rather go
blind /3x
than I to see you with her tonight

I'm done with your lies
but I can't say goodbye
so, I l'd rather go
