

# Tanya Donelly, Human

Some sun-faded beauty let you down  
And I'm supposed to feel bad about it now

Do you think you look human to me?  
Do you think you look human to me?

And on that ride you took your sister down  
And I'm supposed to feel some pity for you now

Do you think you look human to me?  
Do you think you look human to me?

I don't know what you expected  
You're barely Homo-erectus

Why do you  
Why do you  
Why do you...

Some sun-faded beauty let you down  
And I'm supposed to feel bad about it now

Do you think you look human to me?  
Do you think you look human to me?

Do you think you look human to me?

I don't know what you expected  
You're barely Homo-erectus

Tell me what you really want  
Tell me what you really want  
Tell me what you really want

Why do you  
Why do you  
Why do you...
