

# Tanya Tucker, I'll Take Today

(Kent Robbins/Will Robinson)

Yeah he's the one - the one I told you about  
Yeah, it was serious, but it was long ago  
He just might walk over here  
And give me a kiss for old times  
But don't you worry dear  
Old times next to you, can never compare  
I'll take today over yesterday, any day  
I'll take lying in your arms tonight  
Over and above any love I've known  
Memories may find me, but they'll always be behind me  
I'll take today over yesterday, any day  
I'd be lyin' if I tried to tell you now  
That I never loved him, and he doesn't ever cross my mind  
But that was yesterday, and baby, I don't wanna go back  
Here is where I'm gonna stay  
With you in each tomorrow of my life  
I'll take today over yesterday, any day  
I'll take lying in your arms tonight  
Over and above any love I've known  
Memories may find me, but they'll always be behind me  
I'll take today over yesterday, any day
