Tanya Tucker, I Love You Anyway

My cowboy rhythm with your uptown blues Might sound a little out of tune But I don't care I don't care It don't matter to me, baby I love you anyway Your silk Armani with my wrangler jeans Might make us look a little strange But I don't care I don't care It don't matter to me, baby I love you anyway Any fool can see the warning signs The difference in your world and mine But I don't care how fast or high you fly I love you anyway Any fool can see the warning signs The difference in your world and mine But I don't care how fast or high you fly I love you anyway Pign Forge or St. Tropez We'll have one fine honeymoon either way So I don't care no I don't care It don't matter to me, baby I love you anyway wooh It don't matter to me, baby I love you anyway
