

Tara McLean, You

I never felt alone
I was happy on my own
And who would ever know
There was something missing
I guess I didn't see
The possibility
It was waiting all the time
But it never crossed my mind
'Til you opened up my eyes
Now all I think about is...
You
In my life, in my dreams
In my heart I know it's true
That I belong with you
Because of you
In my world, in my arms
I have everything
And now, I can't imagine what I'd do
Without you
I never thought that love could be
Such a curiosity
What attracted you to me
Was so unexpected
But it was waiting all the time
And it never crossed my mind
'Til you opened up my eyes
Now all I think about is...
You
In my life, in my dreams
In my heart I know it's true
That I belong with you
Because of you
In my world, in my arms
I have everything
And now, I can't imagine what I'd do
Without you
You
In my life, in my dreams
In my heart I know it's true
That I belong with you
Because of you
In my world, in my arms
I have everything
And now, I can't imagine what I'd do
Without you, in my life, in my dreams
In my heart I know it's true
That I belong with you
Because of you
In my world, in my arms
I have everything
And now, I can't imagine what I'd do
I can't imagine what I'd do, without you
