

Tata Young, Sexy Naughty Bitchy Me

(Chorus)

I pick all my skirts, to be a little too sexy.
Just all like my thoughts, always get a bit naughty.
When i'm out with my girls, i always play a bit bitchy.
Can't change the way i am, Sexy naughty bitchy me!

Im the kind of girl the girls don't like.
Im the kind of girl boys emphasize.
Im the kind that your momma and your daddy would afraid to turn
out to be like.

I may seem Unapproachable, But that is only for the boys who don't have
the right approach whose ride which makes a girl like me wanna hop in a roll.

Biggest Intimidating, when a girl is cool with her sexuality.
I'm a 180 to the stereotype girls like staying home and being innocent.

(Chorus)

I pick all my skirts, to be a little too sexy.
Just like all my thoughts, always get a bit naughty.
When i'm out with my girls, i always play a bit bitchy.
Can't change the way i am, Sexy naughty bitchy me!

(Chorus)

My mouth never takes a holiday
I always shock with the things I say
I was always the kid in school
who turned up to each class bout an hour late and
When it comes to the guys I'd lay,
I'd always pick the ones who won't figure out that
I was clearly rebel to the idea of monogamy

Biggest Intimidating, when a girl is cool with her sexuality.
I'm a 180 to the stereotype girls like staying home and being innocent.

(Chorus)

I pick all my skirts, to be a little too sexy.
Just like all my thoughts, always get a bit naughty.
When i'm out with my girls, i always play a bit bitchy.
Can't change the way i am, Sexy naughty bitchy me!
