

# Tatu, Running blind

Reaching for you,  
I know you're out there somewhere.  
It's too dark, I'm so cold,  
I know I had to come here.  
Every broken dream,  
That I leave behind,  
Keeps me going on,  
Keeps me running blind.  
Calling your name, I hear only echoes,  
Searching the rain I see only shadows,  
You've got to show me your face.  
Voices, I hear them calling behind me,  
Phantoms of you are burning inside me,  
You've got to give me a sign.  
Fading, slowly.  
You're drifting into darkness.  
I can't see, I can't think,  
I need to keep on searching.  
Every moment,  
Every thought of you,  
Is inside of me,  
Tells me what to do.  
Calling your name, I hear only echoes,  
Searching the rain I see only shadows,  
You've got to show me your face.  
Voices, I hear them calling behind me,  
Phantoms of you are burning inside me,  
You've got to give me a sign.  
Can you hear me?  
Am I only wasting time?  
Are you near me?  
Are you only in my mind?  
Are you? Are you?  
Calling your name, I hear only echoes,  
Searching the rain I see only shadows,  
You've got to show me your face.  
Voices, I hear them calling behind me,  
Phantoms of you are burning inside me,  
You've got to give me a sign.
