Taylor Dayne, I Know The Feeling

(Marvin Hamlisch, Alan Bergman, Marilyn Bergman)
Thought I was happy thought that my life was made
Guess I believed the colors of love just fade
But now that you're here I can see
What I thought was all over is still here inside of me
And I know the feeling
And I love the feeling
You're fannin the coals and the flame in my soul's all I know
Yes I know the feeling
And I need the feeling
Oh this time I swear I won't let it go
It's like I was sleepin waitin to feel your kiss
I'd almost forgotten lovin could be like this
Just open your arms let me fall
I settled for half, oh but now I can have it all
Cause I know the feeling
And I love the feeling
This glow that I'm getting don't care if I'm letting it show
Yes I know the feeling
And I need the feeling
Oh this time I swear I won't let you go...
Repeat....Fade.
