Taylor Dayne, Say A Prayer

(Taylor Dayne, Shep Pettibone, Tony Shimkin)

Say a little prayer for you

Say a little prayer for you

Well, I remember when

You were my only friend

You took the time

When on one else cared

You gave love endlessly

And then you proved to me

No matter what

You'd always be there

And now I understand

Just how life's little plan

Can make it rough to say 'forever'

But you've been there for me

So that's my guarantee

That we will always be together

When I have sleepless nights

That's when you hold me tight

You do it right

I say a little prayer for you

And when my dreams are through

I only think of you

Cause you do it right

I'll say a little prayer for you

We've had good times that's true

We've had our bad times too

But through it all

It makes us stronger

We'll have to build our trust

Because it means too much

To give away to any other

And now I understand

Just how life's little plan

Can make it rough to say 'forever'

But you've been there for me

So that's my guarantee

That we always be together

Chorus

I say a little prayer for you

Alright

Come on

Say it, say it, say it, say it, say it

Alright

Say a prayer

Alright

Come on

I'll say a little prayer for you

Say it

Come on

I'm prayin'

I'll say a little payer for you

And now I understand

Just how life's little plan

Can make it rough to say 'forever'

But you've been there for me

So that's my guarantee

That we will always be together

I say a little prayer for you

I will

Say a little prayer for you

Chorus

So far away

Chorus

My baby My love
